

# INSTEP Learning Calendar 2021

---

**Bringing Experiential**

**Learning to You**

**for PETRONAS Group**

# Your Preferred Technical Learning Solutions Partner

*We accelerate your  
competency development through  
experiential learning..*

We deliver customised niche learning solutions anchored on world-class facilities and industry-experienced instructors. We further support your exceptional growth because we care about your technical competencies.

*"Experiencing is Enriching"<sup>2</sup>*

# Virtual Instructor-Led Training (VILT)

*The new norm of learning..*

Blending the best of interactive live classroom training, and the convenient and cost effective virtual engagement with learners in online and offline activities from anywhere across the world.

*"Experiencing is Enriching"*

# Experiential Learning

*Apart from VILT..*

Interactive theoretical learning in classroom, hands-on training at practical workshops and experiential learning at INSTEP's first-of-its-kind Upstream Downstream Training Plant (UDTP) will complement your digital learning experience!

*"Experiencing is Enriching"*

**Innovative Technology**

**Testing and Deployment**

*UDTP is the first-of-its-kind  
in the world..*

It simulates real Upstream and Downstream plant scenarios in safe environment, and creates a perfect ecosystem as testbed to test and pilot new and innovative technology deployment.

*“Experiencing is Enriching”*
